

ROOMS AND SUITES

The Greenwich Hotel has 88 rooms, of which no two are alike. The furnishings draw from a wide range of cultural influences - from the hand-loomed Tibetan silk rugs to the patterns of Moroccan tile. Rooms have Dux beds, oak floors, soaking tubs, 10 foot ceilings with hand carved moldings, and small libraries.

The amenities and services are as well considered as the design. Houseguests can opt for in-room check-in, newspapers from their hometowns delivered daily, and a refrigerator stocked with specialty items of their choice.

Additionally, the Greenwich offers a full array of amenities that sophisticated travelers have come to expect. This includes HDTV, iPod docking stations, free wireless Internet, and a range of bath and body products developed especially for the hotel.

SHIBUI SPA

Shibui is available exclusively to hotel guests and has four separate treatment rooms, as well as a room for relaxation either before or after treatments. Shibui has a shiatsu room; a traditional bathing room with a large tub for Japanese bathing rituals, a wet room that includes a shower for wraps and scrubs and finally a treatment room where massages as well as manicures, pedicures and facial treatments are offered.

The fitness room is more than 1000 square feet. Its design has been integrated to fit the concept of Shibui, serenity, with old hemlock floors and hidden lights, coupled with the most state-of-the-art equipment. Trainers are always available.

Shibui houses a lantern-lit swimming pool and lounge under the roof of a 250-year old wood and bamboo farmhouse, reconstructed in the hotel, by Japanese craftsmen. Guests can relax by the pool and enjoy fresh-squeezed juices, light spa fare, or a glass of sake.
