Only 50 minutes drive from Muscat International Airport and the bustling city of Muscat, in Wadi Al Abiyad (White Sands in Arabic) sand dunes and nestled atop one of the tallest dunes, you will discover a magical world where time stands still. Welcome to Dunes by Al Nahda!

Dunes by Al Nahda, affiliated with World Hotels is an intimate, luxury boutique desert resort offering a total of 50 ultra luxury guest bedroom tents, each featuring, amongst others: full individual en-suite bathrooms, separate seating areas, flat screen LED televisions and individually controlled air-conditioning. Its dune top location with unrivalled views over the surrounding undulating dunes, desert and mountains in the background; sand spa and an 09 hole bunker golf course make it unique in Oman and the GCC.

Our open air restaurant, Fleur, gives guests the opportunity to dine al fresco and enjoy a full desert experience. It is also the perfect setting for a drink at sunset and partaking of the striking to soft hues of the light and colour as the sun disappears under the horizon.
